

MAISON KRIZSAN

COMMISSION PORTFOLIO

Photography & film for exceptional places.

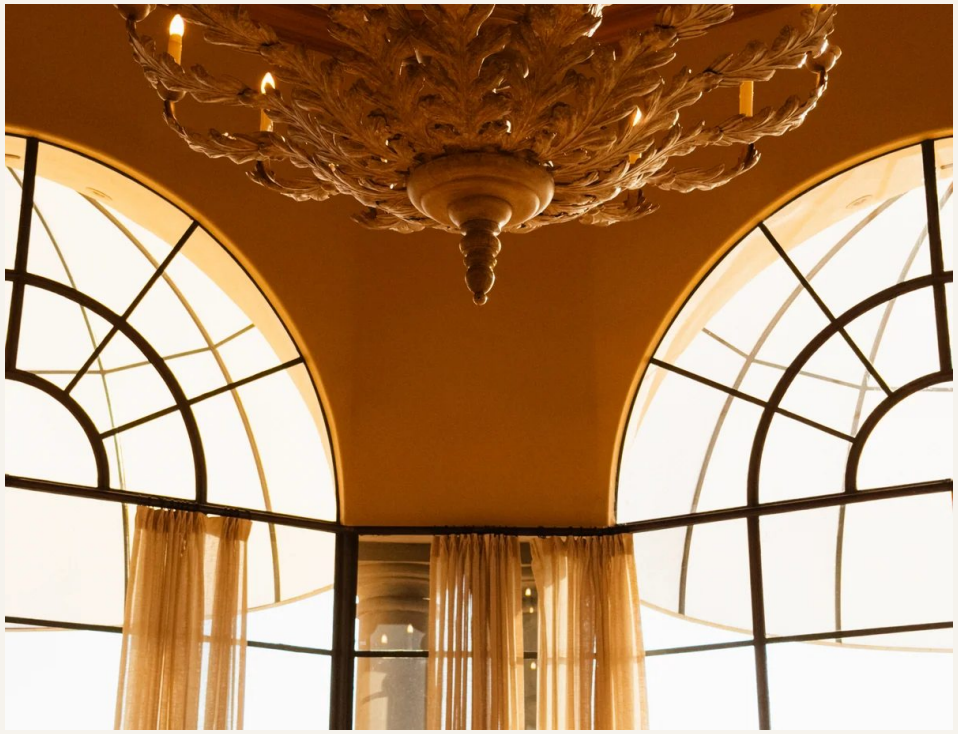

An independent visual studio for hotels, residences, architecture and destinations.

CALIFORNIA / AVAILABLE WORLDWIDE

MAISONKRIZSAN.COM/COMMISSION

A point of view, made visible.

Architecture, atmosphere and the character of a place. The photographs below are independent portfolio studies, not claims of paid hotel commissions.

LIGHT & ARCHITECTURE

Framing, symmetry and the direction of light.

ARRIVAL & SENSE OF PLACE

Architecture, landscape and a sense of arrival.

Two starting points. One clear brief.

Every project is quoted individually. These are ways to discuss scope, not fixed packages or guaranteed quantities.

A DEFINED ASSIGNMENT

Focused property shoot

For a property update, selected interiors or a specific set of images.

TYPICAL PLANNING INCLUDES

- Prioritized spaces and photographic brief
- Planned shoot and selective image editing
- Usage and licensing agreed in advance

A BROADER COLLECTION

Complete property story

For a launch or campaign needing a cohesive story of arrival, interiors and setting.

TYPICAL PLANNING INCLUDES

- Visual planning across property and context
- Coordinated photographic collection
- Film scoped separately where appropriate

Scope, final deliverables, timing, fees and licensing are defined in the written proposal.

MAISON KRIZSAN

FOUNDER-LED VISUAL STUDIO

The person behind the work.

Maison is founded and led by Mark Krizsan. The creative approach begins with the architecture, light and details that make a location distinctive.

FROM BRIEF TO COMMISSION

Share the property and intended use. Discuss creative direction, scope and timing. Confirm the production plan and deliverables in writing.
